**NEEDS/PROBLEMS/COMMENTS:**

1. Looking back at the history of this guardianship estate, it appears the minor originally received \$15,099.07, inventoried as "Linsco/Private Ledger (LTO) account," which was to be a federally insured blocked account pursuant to the Order Appointing Guardian entered 7/24/06. See also Receipt filed 10/19/06 certifying that it was a federally, insured, blocked account.

The First Account, however, showed that the funds were not actually blocked or FDIC insured, and the Court ordered the balance of \$13,695.72 to be deposited to an FDIC insured blocked account. (See order 2/11/09.)

However, upon withdrawal from the original accounts, the amount actually deposited into a FDIC insured blocked account at Wells Fargo for this minor was \$4,448.63. (See Receipt filed 4/8/09.)

Declaration of Gary G. Bagdasarian filed 4/15/09 stated that when the securities in the investment account sold, values had declined, and after payment of the court-ordered attorney fees, the balance left was \$4,448.63.

The Declaration stated that the Guardian was in the process of submitting a demand letter to Thiese Dueker for the return of the principal deposited with them in October 2006 which was to be placed into a blocked account from which an investment into a security that did not lose principal was to be made. The Declaration stated that a request for damages was being made for the loss of principal plus accrued interest and attorney fees.

However, it does not appear that this was ever addressed in the Second Account, which was settled 8/27/13, or in this Third and Final Account.

At this time, the Court may require an update on the result of such demand letter, especially given the receipt filed 10/19/06 where the authorized representative verified that the account was a federally insured, blocked account.

**Declaration of Gary G. Bagdasarian filed 2/9/16 states** attached is a demand letter to Thiesen Dueker, agent for Linsco/Private Ledger (LPL) concerning the federally insured blocked account. As can be seen from the response letters dated 5/7/09 and 6/26/09 (attached), they took the position that Ms. Patania was fully apprised of the risks involved in the investments of said funds into the account which contained growth and aggressive funds and were subject to loss of principal. Even though the responses were less than adequate, it was determined that the cost of proceeding forward may exceed the amounts remaining in the account and any potential recovery that may have existed.

			<p><b>NEEDS/PROBLEMS/COMMENTS:</b></p> <p><b><u>Continued to 3/16/16</u></b> at the request of the attorney.</p>

Authorization to Administer under IAEA**

<b>DOD: 7/13/2015</b>		<b>LEONARD J. GARCIA</b> , son and Successor Trustee of the <b>LEONARD L. GARCIA LIVING TRUST</b> and named Executor without bond, is Petitioner. <i>(Will names executor as the then-acting Trustee of the Trust.)</i>	<b>NEEDS/PROBLEMS/COMMENTS:</b>  1. <i>Petition</i> states the location of the original Will is unknown to the Petitioner, and that it may be in possession of Decedent's spouse, <b>JENNIE GARCIA</b> . <i>Petition</i> does not indicate any efforts to obtain Decedent's original Will. Probate Code § 6124 provides if the testator's will was last in the testator's possession, the testator was competent until death, and neither the will nor a duplicate original of the will can be found after the testator's death, it is presumed that the testator destroyed the will with intent to revoke it. This presumption is a presumption affecting the burden of producing evidence. **NEEDS/PROBLEMS/COMMENTS, continued:**

2. Probate Code § 8223 provides a petition for probate of a lost or destroyed will shall include a written statement of the testamentary words or their substance. Petitioner attaches a copy of Decedent's Will dated 8/22/2013. If the Will is proved, the provisions of the Will shall be set forth in the order admitting the will to probate. Pursuant to Probate Code § 8223, need revised proposed order containing the provisions of the lost Will (i.e., a copy of the Will attached to the order with signature line included on the last page of the Will for the Court's approval.)
3. Proposed letters submitted by Petitioner appear to contain a photocopy of Petitioner's signature, and it does not appear they were lodged by fax or electronically, allowing for acceptability of non-original signature on letters. Need proposed letters containing original signature of Petitioner.

**Note: If *Petition* is granted, Court will set Status Hearings as follows:**

- Monday, July 11, 2016 at 9:00 a.m. in Dept. 303 for the filing of the final inventory and appraisal; and
- Monday, April 10, 2017 at 9:00 a.m. in Dept. 303 for the filing of the first account and/or petition for final distribution.

**Pursuant Local Rule 7.5, if the documents noted above are filed 10 days prior to the dates listed, the hearings will be taken off calendar and no appearance will be required.**

The will appears to have been originally prepared by Mr. Boyajian and the original was deposited on 11/12/15 to 15CEPR01100. However, because both of the dates are typed rather than handwritten, the Court may require clarification regarding the date of the will.</p> <p>1. Notice was not served on the decedent's step-son Timothy Scott Wells, who, although disinherited by the will, is entitled to notice. (Petitioner checked box 9b on the Amended Petition, which indicates that the decedent <u>is</u> survived by a stepchild or foster child who would have been adopted but for a legal barrier. He therefore should be listed at #14 and served with Notice of Hearing.</p> <p><u>Note:</u> On 12/31/15, the CA Dept. of Health Care Services filed a Creditor's Claim and Request for Special Notice. Another creditor's claim was filed 2/5/16 by AscensionPoint Recovery Services. However, there is no provision for creditor claims in summary proceedings, and because Letters will not issue, notice is not required to be served per Probate Code §1250.</p>
